Resurfacing Project on Lemont Road and Illinois Street in Lemont

CHICAGO – The Illinois Department of Transportation (IDOT) announced that daily lane closures will take place on Lemont Road from Bluff Road to south of Illinois Street and on Illinois Street from New Avenue to Main Street, in Lemont, beginning, weather permitting, Monday, September 26. The closures are necessary for a resurfacing project.

In order to complete the work, daytime lane closures will take place on Lemont Road from Bluff Road to south of Illinois Street and on Illinois Street from New Avenue to Main Street. Daytime parking restrictions also will be in place.

The scope of the project includes resurfacing as well as drainage and curb and gutter improvements. The sidewalks will be reconstructed to be compliant with the Americans with Disabilities Act requirements.

The project is expected to be completed in Fall 2016.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
